

# Prayer Fuel

11<sup>th</sup> September 2013

Wednesday

- This is David's day to be with the team at Eden farm. We praise God for the good rain this year and the crops are growing well. We have had our first harvest of onions which were delicious.

- This evening we are hosting a young family who are returning to UK after being here for 4 years. It is always sad to say goodbye

Thursday

- Heather is having a training for church teachers' wives in Terego. They will be discussing nutrition. The focus of the teaching is on the 1<sup>st</sup> 1000 days of a baby's life. Very essential time some other time will write more about this

Friday

- Alpha course in the women's prison ( more about this in our next link letter)

Monday

- Both of us will be at ORA (again more about this in our next link letter) David will be working with the team on improving the land and designing small gardens for the residential children. Heather will be working through the child records and reports and trying to come up with a new format which will be easier to use and have all the information the donors require.
- In the evening Heather will be doing an Ante Natal check up on a Kenyan friend who is having her 2<sup>nd</sup> baby. They are the pastors of Calvary Chapel in Arua

Tuesday

- David is having the 4<sup>th</sup> farmer interaction training in Ayopandi Parish. Focusing on pest control and natural ways of making pesticides
- Heather has a meeting with the Baylor organisation, who support the HIV and AIDS work in the Health Centres in the Diocese.
