

# Maundy Thursday

Read or watch the bible story below then chat about the story and have a go at the activity. There's also a song to sing and dance along to and a prayer to say...

Today we will be exploring together, the story of Jesus washing his disciples' feet. You can find it in your Bible in:

[John 13:1-17](#)

Or watch it [here](#)

## Discussion

Why do you think Jesus washed his disciples' feet?

Washing feet was not an unusual thing in Jesus' time – because the ground was dusty, and most people wore sandals, when you had a guest in your house you might offer to wash their feet. Jesus wanted to teach his disciples a lesson – to help them understand what it means to love and serve others. Jesus lived his life as an example for us to follow of how to share God's love with others.

Can you think of a time when somebody did something for you that you were not expecting that blessed or encouraged you?

Our song for today is [Every move I make](#)

## A prayer to say together

Dear God, Thank you that your son Jesus came and lived on the earth as an example for us to follow. Help us to love and serve others as your son loved and served the world. Help us to share your love with the world by serving those we meet. May the way we love others speak of your love in the world. Amen

## Activity

How could you and your family serve someone today? Could you bless a neighbour, make dinner or a treat for someone? Could you do a litter pick? How could you serve your family today?

Pray that God will help you to have a serving heart...
